Re: Bouchard Barge B120 Oil Spill
Buzzards Bay, Massachusetts

Dear Mr. Hardy:

This letter was prepared by GeoInsight, Inc. (GeoInsight) to provide information about ongoing response actions associated with the Bouchard Barge B120 oil spill in Buzzards Bay. GeoInsight is providing Licensed Site Professional (LSP) services on behalf of Bouchard Transportation Company, Inc. An LSP is an environmental consultant with a professional responsibility to hold paramount public health, safety, welfare, and the environment. Enclosed please find a 2-page sheet summarizing the current cleanup activities and the role of the LSP in the Buzzards Bay oil spill.

To provide additional information about the current cleanup activities, GeoInsight is hosting a meeting on **Wednesday, November 12, 2003** that is open to the public. This meeting will focus upon the ongoing response actions specific to the Immediate Response Action (IRA) transition.
